

# UNITED WAY OF RANDOLPH COUNTY'S *first* DAYS OF CARING & CAMPAIGN KICKOFF

Be one of the first to line up in support of the 2020 United Way campaign by signing up to sponsor our Campaign Kickoff and Days of Caring! Put your business front and center at the September 20nd and 21st event.

The Campaign Kickoff is back by popular demand. The Campaign Kickoff was an annual event attended by numerous community leaders and corporate executives. This year those leaders are going to help us meet our goal of \$220,000 in campaign donations.

In connection with our Kickoff, we are coordinating our first Days of Caring. We are partnering area businesses, civic groups, and individuals to complete projects for area nonprofits.

On Friday, September 20th and Saturday, September 21st volunteers will start the day by meeting at 8 a.m. at Moberly Municipal Conference Room (next door to Parks and Recreation). Then their team can rendezvous, pick-up t-shirts, enjoy coffee and a light breakfast, as well as get final instructions on project assignments.

Workplace Campaign Coordinators and other volunteers will be able to meet and greet representatives from our funded agencies. Agencies will have representatives there from 8 a.m. to noon on Friday. Materials from agencies will be available both days. Workplace Campaign Coordinators will also be able to pick up their campaign materials at this time!
