

INVESTING IN YOUR COMMUNITY

LIVE UNITED

YOUR DONATION TO UNITED WAY CHANGES LIVES, NO MATTER THE AMOUNT.

Your gift makes you part of the solution to complex community issues like homelessness, school readiness, access to medical care, and nutritious food options, all through the continuation of vital health and human service programs. A few dollars per paycheck makes a big difference for people in our community. It may not seem like much to you, but your weekly contribution has a MAJOR impact on the lives of your family, friends, and neighbors. The gift you give IN Randolph County is put to work IN Randolph County, Middle Grove, Salisbury, and Madison. Below is just a small list of the impact your dollar can have.
